FEATURED SPIRITS

THE WORLDS MOST AWARDED RYE WHISKEY

WhistlePig is committed to crafting the world's finest and most interesting Whiskeys. Over a decade ago, they changed the Rye Whiskey game, and continue to set the standard with each passing day. They will never stop fighting the good fight for Rye, breaking down boundaries in American whiskey, and drinking their mistakes along the way.

We have hand-selected some of their finest bottlings to share with you.

Crossbuck Brewing invites you to gather with friends and family to enjoy our hand-crafted beers in our Walla Walla taproom. Every Crossbuck brew has a story. The latest collaboration by our brewer Nate Sherrod is with the Blue Mountain Land Trust. Nate joined Crossbuck Brewing in February 2019 and looks for partnerships and opportunities to apply sustainable practices in the brewery.

The Belgian White-style ale is produced with local ingredients, including malt from Mainstem Malt and lavender from Blue Mountain Lavender Farm. Available starting April 1st! Sales of this beer will help support a local conservation group through the Blue Mountain Land Trust.

These types of collaborations have helped build partnerships and further supports our Community Pint Nights. We feature a different program each month and donate \$1 from every pint sold of Crossbuck beer on Tuesdays. **Our Community Partner for the month of April is the Blue Mountain Land Trust.**

YELLOWHAWK

WALLA + WALLA

At Walla Walla Steak Co. we love Yellowhawk Resort like a sister. The hilltop estate provides a sweeping outlook on the fields of wheat, lush vineyards, and Blue Mountains, all on an 84-acre retreat on Walla Walla's south side featuring farm-to-table dining, swimming pool, cabanas, lodging and event space.

Yellowhawk is Walla Walla's first sparkling wine house - featuring two styles. Our line of bubbles are great wines infused with effervescent bubbles. Our Sparkling wines are handcrafted by winemaker George-Ann with a special recipe of yeast and sugar in each bottle for a second fermentation. The result is 90 million bubbles per bottle! We make wines from our estate vineyard but source from other vineyards in the area as well. www.Yellowhawkresort.com
